### Synopsis

The project consists of maintenance dredging approximately 1,530,000 cubic meters per dredging cycle from the entrance channel and sand traps of Channel Islands Harbor and 300,000 cubic meters from the approach and entrance channels of Port Hueneme Harbor. The required dredging for Channel Islands Harbor will be accomplished in three (3) dredging cycles, every two (2) year dredging operations at project depth of -6.1 m (MLLW) at the main channel and -10.7 m (MLLW) at the sand trap areas. The required dredging for Port Hueneme will be accomplished once at the same schedule dredging of Channel Islands Harbor i.e. during one of the three cycles at project depth of -12.2 m (MLLW) at the approach channel and -11.0 m (MLLW) at the entrance channel. This is an UNRESTRICTED procurement; all responsible sources may submit an offer. All interested contractors are reminded that the successful contractor will be expected to place subcontracts to the maximum practicable extent with small and disadvantaged firms in accordance with the provisions of Public Law 95-507. All interested contractors are reminded that the successful contractor will be expected to place subcontracts to the maximum practicable extent with small and disadvantaged firms in accordance with the provisions of Public Law 95-507. The Los Angeles District subcontracting goals are specific percentages of the contractor's total planned subcontract amount. The goals are as follows: 62% with small business, 10% with small disadvantaged business, 5% with woman owned small business. All interested contractors are reminded that the successful contractor will be expected to place subcontracts to the maximum practicable extent with small and disadvantaged firms in accordance with the provisions of Public Law 95-507.

### Printing Companies

This list is open for registration to all **printing companies** who have the following minimum capabilities: (1) the capability to produce a hard copy of the plans (up to 28" X 40") and specifications (8 1/2" X 11") for all solicitations that are offered on the Internet and Compact Disk (CD). The plans are typically issued in CAL format and the specifications are typically issued in PDF format. (2) this capability may include both downloading and reproduction from the CD, or just the ability to reproduce the files from the CD.
